The meeting was convened under the Chairmanship of Advisor to Government of Telangana on 31.05.2017 at Mini Conference Hall, office of the Engineer-in-Chief, RWS&S:

The minutes of the meeting is as follows:

1. The committee has opined that the O&M manual may be treated as O&M guidelines since there may be omissions and commissions during O&M from the O&M Manual.
2. The committee has opined that the station specific O&M Manuals have to be prepared, based on the O&M Manual, by the Executing Agency.
3. The Committee has opined that for each station Standard Operating Procedures (SOP) has to be prepared by the Executing Agency and should be available at the station.

4. Some corrections were effected in Chapter 7 and Chapter 10 as per the decisions of the Committee.
5. The committee has also opined that the final draft guidelines shall be uploaded on the web site www.missionbhagiratha.telangana.gov.in (MISSION BHAGIRATHA website) and also arranged to upload on web site of Telangana Rural Water Supply Engineers Association www.trwsea.org to invite the remarks/comments/suggestions enabling to correct/modify the O&M guidelines within a week's time. It is also opined that the communication may be given to all Deputy Executive Engineers/Executive Engineers/Superintending Engineers of RWS&S and TDWSP in the state in this regard.
